

THE PORT AUTHORITY OF NY & NJ

in partnership with the
University Transportation Research Center, Region II
invites you to participate in

NextGen: The Future of Aviation

Should I care about air traffic delays?
How is my business or community impacted?
What is NextGen technology?
Can NextGen help resolve flight delays?

Program will include an introduction to
NextGen technology and a moderated panel discussion.

Wednesday, February 25, 2009

8:30am to 11:30am

Auditorium at One Madison Avenue

New York, NY 10010

Madison Ave. and 23rd Street

Please RSVP at www.panynj.gov/nextgen.
