#### **Date:**

Friday, October 4, 2013

#### **Time:**

8:30am - 4:30pm

#### **Location:**

Baruch College/CUNY  
William and Anita Newman  
Conference Center  
151 East 25th Street, 7th Floor,  
New York, NY 10010.

### **EVENT DESCRIPTION**

The event will present cross-disciplinary perspectives on urban logistics using electric vehicles (EV) and other vehicles as a sustainable mobility transportation solution. Presentations at the event will reflect various perspectives, as speakers will represent the public and private sectors and academia, including public officials, community leaders, transit community members, academia, consultants and the interested public. The multi disciplinary team will be from the U.S. and Europe. The event will provide a forum that will gather experts and sustainability advocates to focus on the actions that can be taken immediately to meet the environmental challenges and take advantage of the business opportunities presented by such dense city areas, namely with the use of small sized mobility solutions.

Stay tuned for a detail program agenda with detailed description.
